

ENTRESTATE

The system a real-estate company runs on.

THE LOOP

THREE PRODUCTS

Lead Machine

Inventory, pages, ads, CRM and the month-end report — one system, your brand.

FOR

Brokerages and developers' sales teams.

BILLING

Monthly. 14-day trial, no card.

Listing-to-Landing

Your public site, a landing page for every listing, and the desk that runs it.

FOR

Companies that need a public face.

BILLING

Set up on request.

Meta for Realtors

Pick the listing. Set the budget. The machine builds, launches, watches, and reports.

FOR

Individual agents.

BILLING

Pay with tokens as you run ads. No monthly fee.

THE GUARDRAILS

- **No rule, no spend.**

With no rule, it spends nothing on its own.

- **A weak page cannot be advertised.**

The gate blocks a campaign before it wastes the click.

- **Every automatic move is written down.**

Each budget move, in plain words, with the reason.

- **No invented numbers.**

If the assistant doesn't know, it says so.
